VIETNAM VIBRANT SOUTH

7 Days 6 Nights

Trip Overview

Seven days, three contrasting worlds. Feel the vibrant heartbeat of Ho Chi Minh City as you weave through hidden alleyways on a vintage Vespa, stopping to savor charcoal-grilled skewers and crispy bánh mì crafted by street vendors over decades. Step back in time at the Cu Chi Tunnels, exploring the intricate underground network that showcases sheer human resilience.

Then, let the city's pulse melt into the tranquility of the Mekong Delta. Drift beneath sunlit palm canopies in a hand-rowed sampan, witness traditional coconut candy made with time-honored skill, and wake with the river at Cai Rang Floating Market—a floating tapestry of local life, color, and trade.

★ Why You Will Love This Trip

- Ride a vintage Vespa through Saigon after dark, sampling street food in the city's most atmospheric corners — bánh mì, grilled skewers, and iced coffee in hidden alleyways
- Descend into the Cu Chi Tunnels and walk the underground passages that once sheltered an entire wartime community beneath the jungle floor
- Drift through the Mekong Delta by sampan, past coconut groves, riverside workshops, and family homes where life moves at the pace of the current
- Wake before sunrise for Cai Rang Floating Market — a living tradition where vendors sell directly from boat to boat on the open water
